Summary

Detail-oriented and motivated Information Technology student with strong skills in Java, Web Development, and Data Structures. Passionate about solving real-world problems, learning emerging technologies, and contributing to innovative software projects in collaborative environments.

Education

Sri Shanmugha College of Engineering and Technology

B.Tech in Information Technology

- CGPA (until 5th semester): 7.73

Navarasam Matric Hr Sec School

Higher Secondary Certificate (HSC)

- Percentage: 72%

Technical Skills

Programming Languages: Java, C, C++, Python

Web Technologies: HTML, CSS, JavaScript, WordPress, React

Concepts: Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)

Tools & Platforms: Git, GitHub, Visual Studio Code

Soft Skills: Communication, Leadership, Teamwork, Problem Solving

Internship

Deloitte

Completed a job simulation involving hands-on tasks in coding and development, gaining practical exposure to real-world technology workflows and problem-solving approaches used at Deloitte.

Front End Developer Intern — StartNet Ventures Pvt. Ltd.

2025

Worked as a Front-End Intern developing responsive web interfaces using HTML, CSS, and JavaScript. Improved UI/UX, fixed bugs, and enhanced performance. Built and customized websites with WordPress and collaborated with developers to optimize front-end and backend functionality.

Projects

Patient Health Monitoring Risk Prediction System Public

Vital Guardian is a responsive health-monitoring website for tracking vital signs and hydration through a user-friendly interface. Built using HTML, CSS, JavaScript, and modern frameworks with a focus on clean UI, accessibility, and meaningful insights.

Natural Language to SQL (NL2SQL) System

Developed an NL2SQL system that converts plain English queries into SQL using NLP and LLMs. Built with React.js frontend, Python (Flask) backend, and Supabase for database management. Integrated Ollama to run local LLMs for accurate query generation and real-time data retrieval.

Hackathon
